Professional profile

Rachael Cook has been active in the performing arts industry since she was 12 years of age. She started her education at HSPA and continued to perform in musical productions of Cats, Anything Goes and Grease. Rachael continued her acting career in Vancouver Canada where she began a production company called Red Level Productions, there she produced and performed in 'Two Rooms' by Lee Blessing and 'Time Stands Still' by Donald Margulies. Now living in Sydney Rachael has been busy performing in stage productions, the most recent being the Australian classic 'Summer of The Seventeenth Doll' as Olive.
